Christmas *Eve*

Settle in and kick start the festivities with a delicious menu of seasonal small plates and festive mulled wine. Slip into your robe and head to The Spa, choose between a yuletide private duo clay ritual, a fun interactive spa experience designed to energise, hydrate & detoxify the body and mind, or Festive Botanical Bath, set overlooking the lake surrounded by mother nature.

Exhale Christmas stress and inhale festive zen with luxury spa facilities. Once thoroughly pampered head back to your room to get ready to join us in our traditional Village Carol Service held in our very own gardens with campfire s'mores and a Christmas Eve tippie. Finish the perfect Christmas Eve with a scrumptious three course meal in the restaurant and enjoy the craic in Hunter's Bar.

Christmas *Day*

Tuck into a hearty homecooked breakfast with a glass of fizz or a Bloody Mary, it is Christmas after all. After a visit from Father Christmas it's up to you how to work up an appetite for Christmas lunch. Head to The Spa, take a stroll outside and inhale the fresh countryside air, or get stuck into that pile of presents!

We've got a movie lounge with cosy seats for that Christmas afternoon snooze or keep the party going and enjoy live entertainment in Hunter's Bar. There's always room for more and we have the perfect Christmas Day Chef's Supper to top you up. For that post-supper splendour, snuggle up beside the fire in Hunter's Bar with a night cap before eventually drifting off to bed for a good night's sleep.

Boxing *Day*

Top off the festive celebrations with one last trip to The Spa before fuelling up for the journey home with a goodbye breakfast. If you're not quite ready to leave, extend your stay for a night or two.

All you need to decide is what room you fancy!
